MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The management of Rockingdeals Circular Economy Limited is pleased to present its analysis report on the performance and future outlook of your company.

Global Economics Review

In 2024, the global economy experienced moderate growth while contending with persistent inflationary pressures and ongoing geopolitical instability. The year was also shaped by several major elections, whose immediate impacts are evident, though their long-term consequences remain uncertain. Monetary policy—particularly interest rate shifts in advanced economies—remained in sharp focus. Emerging markets delivered mixed results, influenced by commodity price movements and debt vulnerabilities. At the same time, trade frictions and supply chain disruptions continued to weigh on global commerce and investment, while geopolitical volatility persisted.

Technological progress, especially in artificial intelligence and renewable energy, brought both significant opportunities for productivity improvements and challenges linked to workforce transformation. Together, these forces created a dynamic yet uncertain environment for businesses and policymakers alike.

Looking ahead, global growth in 2025 is projected to slow to 2.8%. While inflation is expected to ease further, the pace of decline will likely vary across regions. Geopolitical tensions and trade-related uncertainties will continue to pose material risks. To navigate this environment, a balanced policy mix will be critical—one that not only mitigates near-term risks but also strengthens medium-term growth through structural reforms and greater multilateral cooperation.

Indian Economy

India's real GDP is estimated to grow at 6.5% in FY 2024–25, reflecting a steady recovery to pre-COVID levels. Although the pace of growth fell short of earlier expectations, India remains one of the fastest-growing major economies. Retail headline inflation eased in line with global disinflationary trends, moderating from 5.4% in FY 2023–24 to 4.6% in FY 2024–25, with sharper deceleration seen in the latter part of the year. Food inflation, while still a key driver of overall price pressures, also began to soften in the final quarter, offering early signs of relief. These trends will continue to be closely monitored.

During the year, the Government allocated more than ₹11 lakh crore towards capital expenditure, amounting to 3.4% of GDP. The agriculture sector benefitted from a series of schemes and incentives, supporting a gradual recovery in FY 2024–25. Looking ahead, sustained structural reforms at the grassroots level and a continued focus on deregulation are expected to strengthen medium-term growth and enhance India's competitiveness.

INDUSTRY STRUCTURE AND DEVELOPMENT

Re-commerce

India's recommerce landscape in 2025 continues its robust growth trajectory, driven by the convergence of sustainability imperatives, consumer behavior shifts, and digital enablement. What began as a niche segment has now progressed into a mainstream consumer practice, with recommerce increasingly viewed as an integral part of the circular economy.

Environmental Influence:

Heightened awareness around sustainability, amplified by climate change discourse and policy interventions, has spurred adoption. Much like *Patagonia's Worn Wear* and *Apple's Certified Refurbished* models globally, Indian companies are incorporating recommerce to align with their ESG (Environmental, Social, Governance) commitments. The government's emphasis on sustainability under the Extended Producer Responsibility (EPR) regime further strengthens this trend domestically.

Consumer Shift:

India's Millennials and Gen Z continue to be the leading forces. In 2025, surveys indicate that nearly 70% of Gen Z Indians prefer pre-owned or refurbished options, not only for affordability but also because of perceived authenticity, uniqueness, and eco-consciousness. Thrift shopping, vintage fashion, and refurbished electronics are now aspirational categories.

Economic Drivers:

In a macroeconomic environment where affordability and value-consciousness remain critical, recommerce provides a compelling alternative to new purchases. From smartphones and laptops to furniture and automobiles, price-sensitive Indian consumers find high-quality refurbished products offering significant savings without compromising quality.

Technology as an Enabler:

India's booming digital ecosystem—comprising AI-driven pricing models, authentication tools, and logistics tech—has reduced trust gaps significantly. Platforms like Cashify, OLX Autos, Refurbo and QuikrBazaar are expanding reach, while global players such as Amazon Renewed and Flipkart's "2GUD" refurbished marketplace continue to strengthen their foothold. Blockchain-based provenance tracking is being piloted, further enhancing credibility.

Industry Outlook and Growth:

According to Boston Consulting Group (BCG) and OLX Autos 2024 report, India's recommerce sector

was valued at \$25 billion in 2024 and is projected to cross \$35–40 billion by 2025, growing at an annual rate of ~15–20%. On the global stage, the recommerce market is expected to touch \$400 billion by 2025 (source: Statista 2024), underscoring the alignment of India’s growth trend with global momentum.

Sector Expansion:

While electronics and fashion remain dominant, 2025 has seen accelerating recommerce activity in categories like furniture, luxury goods, and mobility solutions (EV batteries, used EVs, and auto parts). Start-ups and established retailers are innovating with trade-in programs, subscription-based resale models, and brand-owned recommerce ecosystems.

Conclusion:

Overall, 2025 marks a phase where recommerce in India transitions from being “alternative retail” to mainstream retail.” The steadily rising consumer trust, affordability advantage, and environmental alignment make recommerce a resilient and scalable market opportunity. The sector’s exponential growth trajectory remains intact, supported by regulatory nudges, consumer enthusiasm, and digital innovation.

OPPORTUNITIES AND THREATS

Opportunities.

- Expanding Middle Class and Digital Penetration:

With India’s middle class continuing to expand and over 85.00 Lakhs internet users as of 2025, recommerce platforms have unparalleled opportunities to capture new users. The increasing trust in UPI, digital wallets, and BNPL (Buy Now, Pay Later) is further supporting growth in second-hand and refurbished retail.

- Affordability and Value-Oriented Consumption:

Price sensitivity among Indian consumers remains a strong driver. With inflationary pressures in 2025, more households are choosing pre-owned alternatives in fashion, electronics, and automobiles, making recommerce a mainstream choice rather than a fallback option.

- Employment Generation and Skill Development:

Recommerce continues to create jobs across digital marketing, last-mile logistics, quality inspection, repair/refurbishment, and customer service. In 2025, new jobs are emerging in AI-based product authentication, blockchain provenance tracking, and sustainable logistics, combining skill sets from retail and technology sectors.

- ESG Alignment and Circular Economy Potential:

Businesses are embracing recommerce to meet ESG reporting standards encouraged by SEBI and global investors. Second-hand apparel, now growing nearly 5x faster than new clothing sales globally (Statista 2025), directly supports sustainability, resource efficiency, and circular economy principles.

- Technological Advancements:

AI, ML, and AR/VR tools have revolutionized the industry. Platforms are leveraging AI-driven dynamic pricing, image-based product matching, and virtual try-ons for fashion. Reverse logistics is also becoming more sophisticated, reducing friction in supply chain operations and transforming recommerce into a formalized, trust-driven sector.

- Global Market Alignment:

The global recommerce market is expected to surpass \$400 billion in 2025, offering Indian players opportunities to scale internationally through cross-border recommerce platforms and partnerships.

Threats & challenges

- Pricing Complexities and Margin Pressure:

Thin margins remain a key hurdle. With rising operational expenses in 2025, including logistics fuel costs and compliance costs under India's EPR waste management framework, achieving profitability is challenging. The subjective nature of "used" product pricing continues to constrain scalability.

- Authentication and Consumer Trust:

Trust remains the backbone of recommerce. Authentication of electronics, luxury fashion, and refurbished auto parts is resource-intensive. While AI-driven authenticity checks are improving, they are not foolproof, and third-party authentication services add to costs and delay velocity of transactions.

- Competition Intensification:

The Indian recommerce sector is now highly competitive, with large conglomerates, e-commerce giants (Flipkart, Amazon, Reliance), and niche start-ups all encroaching on market share. This overcrowding poses survival challenges for emerging businesses, especially those lacking scale or differentiated models.

- Operational Challenges in Reverse Logistics:

Returns handling, quality checks, and cross-border logistics create inefficiencies and higher costs. Given India's fragmented logistics infrastructure, ensuring timely, consistent, and cost-effective delivery across Tier-II and Tier-III cities remains a significant challenge.

- **Regulatory Compliance and Taxation Risks:**

As the recommerce industry matures, additional scrutiny from regulators on waste management policies, GST compliance for used goods, and product warranties may increase operational burden for small players. Navigating these evolving frameworks is critical but resource-heavy.

- **Market Saturation & Brand Cannibalization:**

Brands entering recommerce to retain loyal customers sometimes risk cannibalizing sales of new products, creating strategic conflicts. Smaller players face difficulty carving a unique identity in an environment dominated by enterprise-scale recommerce initiatives.

-

RISK AND CONCERN

The Company has a robust risk management framework to identify and mitigate business challenges. Key risks are:

- **Availability of Labour:** Demand for skilled manpower in refurbishment, logistics, and AI-driven inspection is rising faster than supply. The Company addresses this through upskilling, employee engagement, and productivity enhancement.
- **Economic Uncertainty:** Sluggish global growth, inflation, and supply chain pressures could impact discretionary spending. Mitigation includes portfolio diversification, brand strengthening, and expansion into Tier-II/III markets.
- **Consumer Trust & Authenticity:** Product quality and authenticity remain critical, especially in electronics and luxury categories. The Company ensures trust through AI tools, third-party verification, warranties, and transparent policies.
- **Intensifying Competition:** Entry of large players has intensified price and customer acquisition pressures. Differentiation is pursued through partnerships, technology innovation, and customer loyalty initiatives.

OUTLOOK

The recommerce sector is transitioning from a niche to a mainstream retail segment, driven by a young consumer base, affordability, and sustainability imperatives. With India's internet penetration

crossing 85.00 Lakhs users and growing awareness of the circular economy, the Company expects robust demand across categories such as electronics, fashion, furniture, and mobility solutions.

Technology adoption — including AI-driven pricing, authentication tools, and blockchain-based tracking — will further strengthen consumer trust and operational efficiency. Expanding into Tier-II and Tier-III markets presents a significant growth opportunity as affordability continues to be a key driver. Further, our Company believes in maintain long term relationship with our customers by adding value through innovations, quality assurance and timely delivery of our products which will ultimately enhance our sales. It has been a long and motivating journey towards this pinnacle of success and no efforts are being spared to further strengthen the accomplishments of the company.

INTERNAL CONTROL SYSTEM AND ADEQUACY

Management has overall responsibility for the Company's internal control system to safeguard the assets and to ensure reliability of financial records. The Company has an adequate internal control system commensurate with its size and nature of its business. The Company has a detailed budgetary control system and the actual performance is reviewed periodically and decisions taken accordingly. The Company also conducts regular internal audits to test the adequacy and efficacy of its internal control processes and bring out any deviation to internal control procedures.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

In order to achieve operational excellence and maintain a competitive edge, the Company invests in building and nurturing a strong talented pool by instituting best practices with respect to its employees. The Company makes substantive and sustained efforts towards building an eco-system which promotes the development and advancement of all its employees and employees feel a sense of belonging to the Company and camaraderie with their team, and aspire for individual excellence while contributing to achieve departmental objectives.

I Report on audit of the Financial Statements

1. Opinion

- A) We have audited the accompanying financial statements of M/s Rockingdeals Circular Economy Limited (“the Company”), which comprise the balance sheet as at March 31, 2025, the Statement of Profit and Loss and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
- B) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (‘Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profit and its cash flow for the year ended on that date.

2. Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of Matter

During the year, the company has capitalised the stock-in-hand valued of ₹8.58 crores into Fixed assets. This has been disclosed in Note-10 and 21 in the financial statements.

Our opinion is not modified in respect of the above matters.

4. Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters and there is no any key audit matters which need to be reported.

5. Information other than the standalone financial statements and auditors' report thereon

A) The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

B) In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

6. Management's responsibility for the financial statements

A) The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in

accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- B) In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management or Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's responsibilities for the audit of the financial statements

- A) Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- B) As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- (i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
 - (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- C) Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.
- D) We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E) We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

F) From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable..
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purposes of our audit.

 - c) The Balance Sheet, the Statement of Profit and Loss and statement of Cash flows with this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.
 - e) On the basis of written representations received from the directors as on 31 March, 2025, taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2025, from being appointed as a director in terms of Section 164(2) of the Act, and
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.
 - g) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance

with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us

3. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
- (i) The Company does not have any pending litigations which would impact its financial position
 - (ii) The Company did not have any long-term derivatives contracts for which there were any material foreseeable losses
 - (iii) There are no amounts which required to be transferred by the Company to the Investor Education and Protection Fund by the Company
 - (iv) a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
 - b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material misstatement
 - (v) The Company has not proposed any interim or final dividend during the year

(vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended 31st March, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated for the during the year for all relevant transactions recorded in the software. Further, during the course of our audit, we have did not come across any instance of the audit trail feature being tampered with after it has become operational by the Company.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF M/S ROCKINGDEALS CIRCULAR ECONOMY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s **Rockingdeals Circular Economy Limited** ("the Company") as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial

controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that We comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

1. Corporate information

Rockingdeals Circular Economy Limited was incorporated on July 29, 2002, with the purpose of engaging in the trading of mobile phones, electronics, home appliances, apparels, and various household-related items.

2. Summary of Significant accounting policies

a) Basis of Preparation of Financial Statements

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis, under the historical cost convention and on the accounting principles of a going concern.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year. The financial statements are presented in Indian rupees unless otherwise stated.

b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Property, Plant & Equipment

Tangible assets are stated at cost less accumulated depreciation. The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the working condition for its intended use.

Intangible assets are recognized if it is probable that the future economic benefits that are attributable to the assets will flow to the Company and cost of the assets can be measured reliably.

d) Depreciation

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down value (WDV). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

e) Inventories

The Company makes valuation of inventory on the basis of cost or net realizable value whichever is lower.

f) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- *Sales of goods*

Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of trade discount, duties, sales tax and GST.

- *Service Income*

Service income is recognised as per the terms of the contract when the related services are rendered. It is stated net of GST.

- *Interest income*

Interest income is recognized on time proportion basis.

g) Taxation

Income-tax expense comprises current tax, deferred tax charge or credit,

Current tax

Provision for current tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the prevailing tax laws.

Deferred tax

Deferred tax liability or asset is recognized for timing differences between the profits/losses offered for income tax and profits/losses as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date.

Deferred tax asset is recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax asset is recognized only if there is a virtual certainty of realization of such asset. Deferred tax asset is reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.

h) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

i) Provisions and Contingencies

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events not wholly within the control of the Company.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s **Rockingdeals Circular Economy Limited**

(Formerly Known as Technix Electronics Limited, Originally known as Technix Electronics Private Limited)

Report on audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of M/s Rockingdeals Circular Economy Limited ("the Holding Company"), which includes its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the consolidated balance sheet as at March 31, 2025, and the consolidated Statement of Profit and Loss and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information(hereinafter referred to as "the Consolidated Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, their consolidated profit and consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the consolidated financial statements and auditors' report thereon

The Holding Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India,

including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the Holding company included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the

result of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements / financial information of M/s Rocking Deals General Trading L.L.C subsidiary Incorporated in Dubai, whose financial statements / financial information reflect total assets of Rs.23.26 Lakhs as at 31st March, 2025, total revenues of Rs. NIL and net cash flows amounting to Rs.NIL for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs. 10.34 Lakhs for the year ended 31st March, 2025, as considered in the consolidated financial statements, in respect of above mention subsidiary, whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on such unaudited financial statements / financial information. In our

opinion, and based on the information and explanations provided by the Management, these financial statements/financial information are not subject to audit under UAE Law. Further, since the subsidiary was incorporated during the current financial year, its operations are not material to the Group.”

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

ANNEXURE B

TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF M/s ROCKINGDEALS CIRCULAR ECONOMY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of M/S Rockingdeals Circular Economy Limited which includes joint operations (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's, its subsidiary internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those

Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group have, maintained in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements of the Holding Company, in so far as it relates to this One subsidiaries, is based on the review report by the board of Director of Holding company of such subsidiary.

Our opinion is not modified in respect of the above matters
